MARKET REPORT

MARCH 2022

COUNTY SUPPLIES

HAND PICKED. HAND DELIVERED.

MARCH 2022

■ Hello,

After a stormy February supply from overseas has been affected. Pineapples and watermelons are in short supply –thanks to a number of ships getting stuck out at sea– however, we should see supply resume pretty soon.

And it's great to see the start of English wild garlic season with Jersey Royals & Mids expected to arrive very soon.

Happy March!
