MAY 2022

■ Hello!

We're excited to receive the first arrival of delicious English strawberries this month from our grower, Fiveways farm - who will be supplying us with perfect English strawberries all summer.

There is nothing quite like an English strawberry packed full of flavour and full of healthy antioxidants. Anyone for tennis?

MAY TOP INSIGHTS

- English & Dutch salad season has started so we're hoping for better supply and prices. The past month has been difficult due to poor weather in Spain which has adversely affected supply.
- We hope to have watermelons and honeydew melons back in stock very soon as the Spanish season starts. **There is a limited supply coming in from Morocco**, but prices are extortionate due to low volumes.
