## FEBRUARY 2025

---

Hello,

We may still be in winter, but February offers plenty of opportunities to enjoy this season's finest fresh produce.

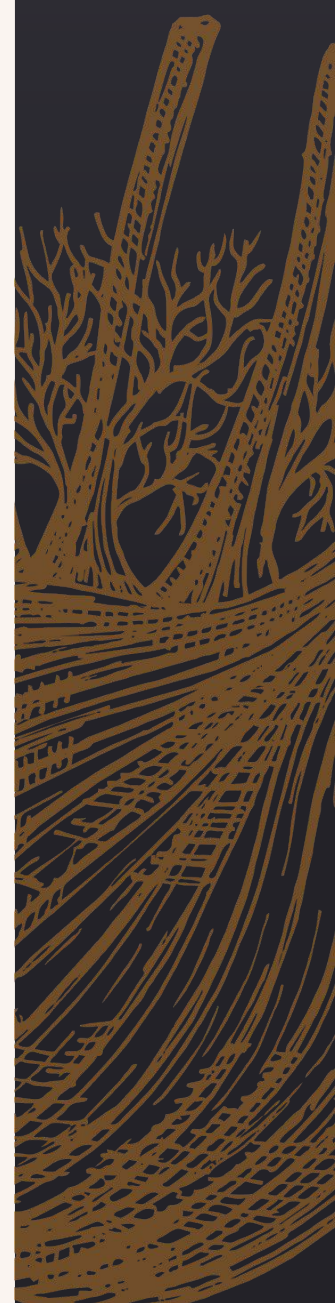

Root vegetables, leafy greens and citrus fruits are at their best this month. From old favourites like apples, pears and leafy oranges to trusty winter staples such as cabbages, leeks, spring greens and kale. And let's not forget the long-awaited arrival of Yorkshire's delicious forced rhubarb!

**So, whether it's the sweet joy of Valentine's Day treats or the savoury warmth of winter stews, this month has something for every occasion – and every menu!**

Happy February!

## COUNTY SUPPLIES NEWS

### **Red Tractor Certified**

We're delighted to announce our Red Tractor License has been renewed. Our continued certification ensures we are upholding the highest standards for food safety, traceability and quality.

A big thank you to our customers and growers for their ongoing support. We're looking forward to another year, serving you with the best of British fresh produce!

---

### **The Salvation Army Christmas Present Appeal**

Each year at Christmas, The Salvation Army distributes donated gifts to families in need. Unfortunately, the number of families seeking assistance continues to rise year after year.

**In December, we were proud to support The Salvation Army's annual Christmas Present Appeal by donating new toys for children aged 0-16 years old. Thanks to the incredible generosity of those who contributed, over £7,000 was raised along with a variety of gifts including toys, vouchers and clothes – all helping to ensure that children who might not have received a Christmas present could still enjoy the festive season.**

A special mention goes to our team – Kirsty, Sira, Louise and Odette – for their commitment and hard work in organising this wonderful initiative. And a huge thank you to everyone who donated!
